SIR,

With reference to your letter No.P.6202/R.A. 129-23-45 dated the ~~22th~~ 12th May 24, forwarding petition No.4780 dated 29th April 24 of Messers. P.R.Lakshminaranappa and five others of T.Narsipur appealing against the election held at T.Narsipur on 15th February 24 for electing two members from that rural constituency to the Representative Assembly, I have the the honour to report that petition dated 18th February 1924 was received in this office from the same parties complaining that there was extrordinary delay on the part of the Polling Officer in recording votes, that the Polling Officer ill-treated the voters and candidates and that the votes of illiterate voters were recorded by the Polling Officer or by one of his associates. As the petition was not accompanied with a deposit of Rs.100/- as laid down in para 5 of G.O.No. P 2400/ Legis. 12-23-7 dated the 7th November 23, the same was rejected, and an endorsement was issued.

On 23rd February 24 a petition signed by Messers. B.S. Puttaswamy, Puttanna and Venkataramanasetty was filed before this office complaining that in addition to the points raised in the first petition the Taluk Officials took a special fancy to voters from Bannur hobli and consequently the two candidates from Bannur succeeded in scoring the highest numbe of votes. The date prescribed for presentation of objection

24

objection petitions against elections to the Representative Assembly as per official memorandum dated 10th December 23 was before 21st February 24, so this petition was rejected as belated.

3. In the petition under report, it is mentioned in addition to the objections raised in the two petitions addressed to this office that the Polling Officer while leaving the office in the evening of the 15th February 24 did not intimate the voters that the polling would take place on the next day also, that from the time the Taluk Sheristedar sat at the entrance to the Treasury Room, the voters were not properly identified, that Bannur voters were fed by the successful candidates at T.Narsipur on the night of the 15th February 24. These objections were not mentioned in the previous petitions and seem to be after thoughts and not entitled to consideration.

4. As regards the objections detailed in all these petitions, I may state that I visited T.Narsipur on the 16th February 24 on receiving a Telegraphic message of complaint from these petitioners, and found that the work of recording votes was going on somewhat slowly. Having stayed for some time and speeded up the work, the elections were completed and the results declared the same afternoon. It was also found to be true that a number of voters of certain other parts of the taluk except Bannur had left the place the previous day without voting, on account of the delay. But this was their own fault, as they should have waited till their turn came up and then exercised their right of voting. The objections now raised by the petitioners are futile and it seems to me that no notice can be taken of them.
